Valuemed Team Spotlight on Crystal Stewart

How long have you been at Valuemed?

I joined Valuemed in April of this year. A quick and exciting 6 months.

What is your role?

Territory manager for Edmonton and surrounding areas.

I pride myself in providing excellent customer service and establishing great, long term relationships with customers.

What is your background?

I have been in customer service my entire life. Starting at 14, working at our small town gas bar, lifeguard, retail, health care, and finally RDA for the last 20 years.

I grew up in Ontario and completed my schooling in London.

Moved immediately after graduation to advance my career in dental and spend time with family that lived here in Leduc.

After 14 years with the same great dentist in private practice, it was time to try something new for our little family and Valuemed has been a great fit. My strongest attribute has always been taking the best care of my customers and patients. I'm happy when you're happy and I love to be the one to go above and beyond to make that happen.

What's your favorite part about this job?

I really enjoy working with people and creating some of my favourite work families. I'm passionate about my years of knowledge in the dental field and love the opportunity to introduce the latest technology and products to my dental colleagues. Products I stand behind and use myself still as a practicing dental assistant. I'm here to listen to my customers and love learning as we grow. I believe you can never stop learning and evolving.

What hobbies do you enjoy?

I love spending time with my family and friends. We love the outdoors and try to be gone all summer camping and making new adventures. Any chance I can get to travel and explore new cultures. Seeing the excitement and firsts on my kids faces is what I live for.

My kids and family are my pride and joy.
