Valuemed Team Spotlight on Paola Luna

How long have you been at Valuemed?

I joined the Valuemed team in April 2024.

What is your role?

I am the Vancouver Dental Territory Manager. I am proud to be able to support local clinics with their supply needs and be part of the Valuemed BC dental team.

What is your background?

I graduated in Dental Medicine and started my career as a general dentist with a keen interest in pediatric dentistry. After arriving in Canada, I enjoyed my time working as a dental assistant with a focus on orthodontics for the last 6 years in Quebec. When an opportunity to relocate to BC arrived, I decided that joining the Valuemed dental sales team would be next step as this would allow me to share all of my knowledge and experience to help colleagues with their supply needs while continually providing information on new products to help increase their office efficiency.

What's your favorite part about this job?

Being able to connect with so many amazing people and help them make their process easier when it comes to their clinic needs. I love assisting with the continuous search for new products and equipment that can then help my customers have a more efficient and productive day at the clinic.

What hobbies do you enjoy?

Traveling, creating new experiences and expanding my horizons are things I really enjoy. Learning new languages is also my passion. I am fluent in English, French, Spanish and Italian and am constantly striving to learning more. In my free time I love doing Zumba, playing tennis and you can find me at the dog park enjoying nature with my furry friend Tico.

Along with the Valuemed BC team, I am very excited to meet and work together. I am looking forward to seeing you at the Pacific Dental Conference in March – Come visit us at Booth #137 and #139.
