Valuemed Team Spotlight on Kim Breen

.....

How long have you been at Valuemed?

I joined the Valuemed Team in March 2024. I am very proud to be working for a 100% Canadian owned company which has been in business for over 37 years.

What is your role?

I am the Southwestern Ontario Dental Territory Manager. I am happy and excited to be a part of the Valuemed Ontario dental sales team.

What is your background?

I grew up in Ontario living along the beautiful shores of Lake Huron. My journey in the wonderful world of Dentistry began in 1987 in Regina Saskatchewan when I graduated as a Certified Dental Assistant. Shortly after graduation, I moved back home to Sarnia Ontario and started my career working in private practice. After having my three daughters, I accepted a sales position with a fairly new dental supply company in Ontario, and had a very successful 25 years with the company. I started taking CPR classes as a teenager while lifeguarding and have always felt strongly that everyone should know CPR. I became a Certified Instructor and have been providing my community life saving skills for 27 years.

What's your favorite part about this job?

Over my 38-year tenure in the dental community, I've cultivated not only professional relationships but also cherished friendships that have enriched my personal and professional life. I take pride in connecting with new individuals and demonstrating the value I can bring to their practices. My enthusiasm for learning about innovative products, practices, and opportunities within the dental field drives me to continually update my skills and knowledge, ensuring I remain a valuable asset to my clients.

What hobbies do you enjoy?

In my spare time I love hanging out with my children and grandchildren. We often go on long drives, explore nature trails, or just hang out at the beach. I also enjoy gardening, interior decorating, watching hockey, cheering for the Blue Jays and playing Volleyball.
